## CHEF'S NOTES

Salt-free lemon pepper, curry powder, or creole seasoning are some delicious options for seasoning your chicken while being mindful of excess sodium typically found in store-bought blends. Check the nutrition label or make your own blend of dried herbs & spices to keep on hand.

Put the cooked chicken in the refrigerator while prepping the rest of the ingredients for a quicker cool down process. This recipe can also be made even quicker with leftover cooked chicken.

You could also serve on a slice of whole wheat toast, on whole grain sandwich thins, or on top of greens for a tasty salad.

## DIRECTIONS

1. Gather all necessary equipment and ingredients.
2. Trim and cut chicken breast into bite sized pieces, and season with salt-free seasoning of choice.
3. Heat a medium **nonstick** sauté pan over medium-high heat, and gently spray with cooking oil. Once hot, add the chicken cubes and cook, flipping once, until the chicken is golden brown and reaches an internal temperature of 165°F, about 5-8 minutes. Remove the chicken from the pan and if desired, cut the chicken into smaller pieces for a shredded texture. Set aside to cool.
4. While the chicken is cooling, in a large bowl, combine the mayonnaise, yogurt, mustard, vinegar, celery, pecans, apple, raisin, salt and pepper. Mix the ingredients until combined. Add the cooled chicken and continue to fold together until well mixed.
