

Snickerdoodle Dip

This is a rich and creamy dessert dip is perfect for satisfying your sweet tooth while including more fiber and plant-based protein into your snack game!

| YIELD | PREP TIME | TOTAL TIME |
|-------------|-----------|------------|
| 10 SERVINGS | 5 MIN | 5 MIN |

INGREDIENTS

1 (15oz) can Navy Beans, drained and rinsed
2 Tbsp Quick Oats
¼ cup Maple Syrup
¼ cup Cashew Butter, creamy
2 tsp Vanilla Extract
2 tsp Cinnamon, ground
¼ tsp Kosher Salt

For Serving:

2 each Apples, cored and thinly sliced

CHEF'S NOTES

Sliced apples or graham crackers make great dippers with this sweet treat. It can also be used as a tasty, fiber and protein-rich spread on toast!

You can use any bean or legume to make this hearty dip! We like white beans in this dessert version for their mild taste and creamy texture. You can use other nut butters like almond or peanut butter for a different flavor or swap the nut butter for sunflower seed butter to make it nut free!

Extra dip can be stored in an airtight container in the refrigerator for up to 5 days.

DIRECTIONS

1. Gather all necessary equipment and ingredients. Prepare all ingredients as described above.
2. In a food processor or blender, blend the oats to form a coarse flour.
3. Add the beans, maple syrup, nut butter, vanilla, cinnamon, and salt and blend the mixture until smooth. If the hummus is too thick, add warm water, one tablespoon at a time, until the dip is smooth and creamy.
4. To prevent a skin from forming on the top of the dip as it cools, press a piece of parchment paper or plastic wrap on the surface of the dip. Store the dip in refrigerator for at least 30 minutes to chill. The dip is ready to eat as is but will have a better texture and flavor if allowed to cool before eating.
