**CHEF’S NOTES**

These spice blends make a great dip for vegetables and pita chips. You can also try as a sandwich spread for added flavor.

To make any of these blends into a dip: mix 1 ½ tsp of your spice blend into 1 cup of Greek yogurt, 2 tsp of water, and ¼ salt. Add in lime or lemon juice to taste. Refrigerate for a few hours before serving to allow the flavors to develop.

**DIRECTIONS**

1. Gather all necessary equipment and ingredients.

2. Combine all of the seasonings from the desired spice blend in a small container or jar with a lid. Cover and shake well to combine.

3. Can be used immediately in your favorite recipe and any leftovers can be stored in a sealed container for up to six months in a cool, dark space.
