CHEF'S NOTES

These protein bites are a customizable, quick and easy snack that are great to have on hand when hunger strikes! You can add dried fruit, nuts, seeds, white chocolate chips, or mini chocolate candies to mix up the fillings.

For protein powder, we use a plant-based option that features pea protein, but you can also use whey-based powders. These would be delicious with chocolate protein powder, too!

Bites will keep in the refrigerator for up to one week and you can store them in the freezer for up to a month.

DIRECTIONS

1. Gather all necessary equipment and ingredients.
2. In a medium mixing bowl, add all ingredients and use a rubber spatula to mix until well blended.
3. Use a Tablespoon measuring spoon to scoop the mixture then roll each into a ball and place on a plate or sheet tray. Refrigerate for about 10 minutes or until ready to serve.
