

Tacos with Black Beans (Taco 4)

These tacos are a delicious alternative to traditional tacos for vegetarians and meat eaters alike! These plant-powered tacos rely on lots of vegetables and beans for delicious flavor, texture, and fiber.

YIELD 6 SERVINGS	PREP TIME 15 MIN	TOTAL TIME 30 MIN
---------------------	---------------------	----------------------

INGREDIENTS

1 Tbsp	Olive Oil
1 each	Onion, small dice
½ each	Bell Pepper, small dice
12 oz	Mushrooms, minced (about 4 cups whole)
1 (15 oz) can	Black Beans, no salt added, drained and rinsed
1 tsp	Worcestershire Sauce
½ cup	Water
4 Tbsp	Salt-Free Taco Seasoning (see separate recipe)
¼ tsp	Kosher Salt
12 each	Corn Tortillas
⅓ cup (1.5 oz)	Cheddar Cheese, low-fat, shredded
1 ½ cups	Romaine Lettuce, shredded (about ¼ head)
1 each	Globe Tomato, diced
¼ bunch	Cilantro, chopped (about ¼ cup)

DIRECTIONS

1. Gather all necessary equipment and ingredients.
2. In a large sauté pan, heat the oil over medium-high heat. Once the oil is hot, add the onions and sauté until translucent, about 3-4 minutes. Add the bell pepper and continue to sauté until the pepper begins to brown, about 2 minutes. Add the mushrooms and continue to cook the vegetables until most of the moisture the mushrooms released has evaporated, about 5-7 minutes.
3. Add the drained beans, Worcestershire sauce, water, taco seasoning and salt. Simmer for 5-7 minutes, stirring occasionally. If desired, lightly mash some of the black beans using a potato masher or the back of a spoon. Add more water if needed to keep the taco filling from drying out. Once the moisture has cooked off and the taco filling looks consistent in texture, turn off the heat and set aside.

CHEF'S NOTES

Corn tortillas are a favorite at GCCM because they are a whole grain and last forever in the refrigerator! They need to be heated just before eating which can be done a few different ways:

- Place the tortilla directly over the burner of a gas stove, over low-medium heat, using tongs to flip until just charred on the edges
- Heat a nonstick pan over high heat and heat until soft and pliable
- Wrap in foil and heat in the oven (375°) for about 5-7 minutes
- Wrap in a paper towel and microwave in 30 second intervals

4. Toast the tortillas to the desired texture (see chef's note). When finished toasting, wrap the tortillas in a cloth napkin or tin foil to keep warm.
5. To assemble the tacos, fill each tortilla with ¼ cup of the filling, 1½ teaspoon cheese and top with the lettuce, tomato and cilantro.
