CHEF'S NOTES

This classic Spanish originates from a port city and was created to add flavor to the daily seafood catch. Some versions may include pine nuts or hazelnuts, additional spices and herbs, or use breadcrumbs as a thickener.

This version uses jarred roasted red peppers and canned diced tomatoes to get a flavorful sauce on the table in no time. Try fire roasted tomatoes and toasted almonds for more earthy depth of flavor. Don't have sherry vinegar on hand? Lemon juice works well, too!

DIRECTIONS

1. Gather all necessary equipment and ingredients. Prepare all ingredients as described above.
2. Add all ingredients to a large pitcher blender in the order listed above and blend until smooth and creamy.
