## INGREDIENTS

16 oz	Mushrooms, thinly sliced
3 Tbsp	Balsamic Vinegar
1 Tbsp	Honey
1 tsp	Red Pepper Flakes
¼ cup	Extra Virgin Olive Oil
2 cloves	Garlic, minced

## CHEF NOTES

Even a quick marinating time will produce flavorful results with this recipe, but feel free to let the mushrooms soak in the spicy, tangy dressing for as long as you have to yield maximum flavor!

If you are looking to save a few calories, you can drain off the excess marinade before roasting, but most of the liquid will be absorbed by the mushrooms which act like a sponge to soak up the flavor of the garlic and balsamic in this recipe.

## DIRECTIONS

1. Gather all necessary equipment and ingredients. Prepare all ingredients as described above. Preheat oven to 400°F.
2. In a small bowl, combine the vinegar, honey, red pepper flakes, oil, and garlic. Whisk the marinade until all ingredients are fully incorporated.
3. Pour the marinade over the mushrooms and mix until the mushrooms are coated. Allow the mushrooms to sit in the marinade for at least 10 minutes (up to 30 minutes, if time allows).
4. Transfer the in the oven and roast for 10-15 minutes, until tender and browned.
5. Remove the mushrooms from the oven and allow to cool for a few minutes before adding to your favorite dishes!
