

Citrus Green Bean Salad with Almonds

This side dish adds a bright pop of flavor to your meal. Almonds and green beans are a classic combination and this version lightens them up with the addition of tangy lemon and savory garlic.

YIELD	PREP TIME	TOTAL TIME
4 SERVINGS	10 MIN	25 MIN

INGREDIENTS

1 lb.	Green Beans, washed, ends trimmed, cut in half
1 each	Lemon, zested and juiced
¼ tsp	Kosher Salt
To Taste	Black Pepper
1 clove	Garlic, fresh, minced
1 Tbsp	Olive Oil
¼ small	Red Onion, very thinly sliced
¼ cup	Almonds, slivered or sliced

CHEF'S NOTES

The green beans and vinaigrette can be made ahead of time and will keep, separately, for up to one week in the refrigerator.

If not serving this dish right away, keep the almonds on the side so that they don't get too soft.

DIRECTIONS

1. Gather all necessary equipment and ingredients. Prepare all ingredients as described above.
2. In a medium saucepot, over high heat, bring water to a boil.
3. While waiting for the water to boil, prepare an ice water bath in a medium bowl filled with ice and water. Set aside.
4. Once the water is boiling, add the green beans to the pot of water and blanch them until they turn bright green and are still crisp-tender, about 30- 60 seconds. Using tongs or a slotted spoon, remove the green beans from the pot and put them in the ice water to cool and stop the cooking process. Once cooled, remove the beans from the ice bath by using a colander/ strainer to drain them. Add the beans back to the now empty bowl that was used for the ice water and set aside.
5. In a small bowl, combine the lemon zest and juice, salt, pepper, garlic, and olive oil. Whisk the vinaigrette together until well combined.
6. Add the red onion and the vinaigrette to the bowl of green beans and toss until combined. Top the salad with the almonds and serve immediately.
