

Spicy Thai Mango Salad

This salad is inspired by the Thai street food staple, som tam, which is traditionally made with shreds of green papaya. Here we use a base of cucumber and sweet mango for an easy, fresh side dish.

For the Dressing:

1 Tbsp	Fish Sauce
2 tsp	Brown Sugar, lightly packed
1 clove	Garlic, minced
½ tsp	Crushed Red Pepper Flakes
1 each	Lime, juiced

For the Salad:

1 each	English Cucumber, julienne
1 medium	Carrot, julienne or grated
1 each	Shallot, julienne
1 each	Mango, sliced thinly
1 cup	Cherry Tomatoes, quartered
¼ cup	Basil, chiffonade
¼ cup	Peanuts, dry-roasted, chopped
1 each	Lime, cut into wedges

CHEF'S NOTES

The cucumber, carrot, and shallot in this recipe are cut as "julienne" which means thin matchstick strips that are about 2-3 inches in length. You can also shred the carrot on a box grater to save time.

After peeling the mango, slice it into long, thin slices that resemble an oblong half-moon for a variety of shapes, sizes, and textures in the salad.

Feel free to try this dish with other different crunchy, colorful veggies, too!

DIRECTIONS

1. Gather all necessary equipment and ingredients. Prepare all ingredients as described above.
2. Prepare the salad dressing by adding all ingredients to a small container, like a jar, and shake to combine.
3. In a large mixing bowl, combine the cucumber, carrot, shallot, mango, tomatoes, and basil. Pour the dressing over the vegetables and stir until well combine and the dressing fully coats everything. For best flavor, allow to rest in the refrigerator, covered, for at least 10 minutes before serving.
4. Top with peanuts and serve with the additional lime wedges for squeezing.
