## INGREDIENTS

1 Tbsp	Capers, drained and minced
2 cloves	Garlic, minced
½ bunch	Parsley, fresh, finely chopped
3-4 sprigs	Mint, fresh, finely chopped
¼ tsp	Crushed Red Pepper Flakes
¼ tsp	Black Pepper, ground
¼ cup	Extra Virgin Olive Oil
½ each	Lemon, zested and juiced
¼ tsp	Kosher Salt

## CHEF'S NOTES

Salsa Verde translates to “green sauce.” The herbs and acid in this sauce can easily elevate the flavor of a simple salad or roasted potatoes.

Try tossing with grains or rice to add a fresh flavor that rounds out your meal.

Salsa stored in the refrigerator will stay good for up to one week.

## DIRECTIONS

1. Gather all necessary equipment and ingredients. Prepare all ingredients as described above.
2. Place all ingredients in a food processor or blender and blend until desired texture. We recommend smooth, but with a little texture.
3. If the salsa is not blending well, scrape the inside of the blender as needed or add 1 tablespoon of water at a time.
4. Transfer to a container with a lid and place in the refrigerator until ready for use.
