

Creamy Avocado Egg Salad Sandwich

Replacing mayonnaise with avocado is a heart healthy, fiber rich swap – plus it's delicious! We also add fun crunch to this creamy salad with cucumber and green onions.

YIELD 4 SERVINGS	PREP TIME 10 MIN	TOTAL TIME 30 MIN
-----------------------------------	-----------------------------------	------------------------------------

INGREDIENTS

4 each	Eggs, large
2 each	Avocado, ripe
¼ tsp	Salt, Kosher
to taste	Black Pepper, ground
1 Tbsp	Apple Cider Vinegar or Lemon Juice
1 tsp	Sriracha Hot Sauce (optional)
2 stalk	Green Onion, sliced
1 cup	Cucumber, peeled & diced small
4 each	Sandwich Thin, Whole Wheat, toasted
1 cup	Greens, such as Arugula or Spinach

CHEF'S NOTES

Because this egg salad uses avocado as the dressing, it is best to eat it the day you make it because the avocado will begin to turn brown. If you happen to have leftovers, you can add a little extra lemon juice which will minimize the browning. To store in your fridge, place leftovers in an airtight container and press plastic wrap down directly on top of the salad, so no air is touching it. Store for up to 2 days.

DIRECTIONS

1. Gather all necessary equipment and ingredients.
2. Place eggs in medium pot and cover with water. Bring to a boil. Once the eggs are boiling, cover the pot, turn off the heat, and set timer for 10 minutes. Once the timer is up, drain the water and place the eggs in a bowl with some ice and water to stop the cooking process and cool them down. Once the eggs have cooled completely, remove from the water and place on a towel to dry.
3. In a medium bowl, use a fork to mash the avocado with the salt, pepper, vinegar or lemon juice, and optional hot sauce to a smooth consistency.
4. Peel the eggs, then dice or roughly chop them. Fold the chopped egg, green onion, and cucumber into the mashed avocado mixture.
5. Serve 1/2 cup of egg salad with spinach or arugula on top of toasted whole wheat sandwich thins.
