CHEF'S NOTES

Other vegetables to try with this quick to prepare sauce include roasted butternut squash, grilled eggplant or zucchini, and roasted broccoli or carrots.

The sauce can also be reduced to a thicker consistency and used as a condiment on sandwiches or with a cheese plate.

DIRECTIONS

1. Gather all necessary equipment and ingredients. Prepare all ingredients as described above. Preheat oven to 400°F and line a sheet tray with parchment paper or foil.
2. Arrange the cut Brussels sprouts on the prepared sheet tray and drizzle with the olive oil, salt and pepper. Toss to coat then spread the Brussels sprouts in an even layer.
3. Bake until browned and tender with crisp edges, about 8-10 minutes.
4. Meanwhile, combine the vinegar, honey, raisins, garlic and red pepper flakes in a small saucepan. Bring to a boil over high heat then reduce to a simmer. Cook, stirring occasionally, until reduced to ¼ cup, about 10 minutes. Remove the garlic.
5. Transfer the roasted Brussels sprouts to a serving platter and top with the agrodolce sauce. Garnish with the chopped mint and pistachios and serve immediately.
